

All:

We had a great turnout for the property owner meetings on Wednesday. The following is a quick update:

- 34 of the 41 properties had a representative that attended one of the two sessions.
- THC staff had spoken to 2 of the 7 property owners not in attendance before the meeting
- the 5 remaining property owners have signed a certified letter receipt of original package but did not attend
- 36 property owner questionnaires and right of entries received
- 15 on site appraisal appointments scheduled for 2/15 & 2/16

We were able to gather a lot of information from the property owner meetings that will greatly assist us as we move through this pre-acquisition phase.

Thanks to all of you for your assistance in making these meeting a success.

Sincerely,

Wes
